AMK Wins the Giordano Dell´Amore Microfinance International Best Practices Award

Phnom Penh: October 27, 2011

AMK was recently awarded the Giordano Dell´Amore Microfinance International Best Practice Award. The award was presented to AMK at the International Conference "Present and Future of Microfinance: Transparency, Client Protection and Social Impact˝ held in Milan Italy on October 24th, 2011.

AMK presented its innovative Social Performance Management Framework, which was judged to be a leading international best practice. AMK´s CEO Pete Power and Deputy CEO Kea Borann travelled to Italy to accept the award and the EUR 50,000 prize.

AMK CEO´s mentioned ˝This award is further vindication of AMK´s mission and the Social Performance Management Framework we have put in place to ensure commitment to mission.˝

Fondazione Giordano Dell´Amore is member of RITMI - the Italian Microfinance Network, and of the "Comitato Nazionale Italiano Permanente per il Microcredito"; it is associated with the "European Microfinance Network", and the European Microfinance Platform.

About AMK
AMK is the largest microfinance institution in Cambodia in terms of client numbers. AMK´s mission is ˝to help large number of poor people to improve their livelihood options through the delivery of appropriate and viable microfinance services.˝ With a staff of 950 located in 88 branches and sub-branches in every province and city in Cambodia, AMK serves approximately 280,000 clients.
